We can leave factory-certified here since we are not right next to all the brand names. Some of which we are not factory-certified for.

#### CLIENT TESTIMONIALS

## Homeowners Across New Jersey

ng homeowners choose Advanced Appliance for their luxury appliance care.

Authorized means warranty in our industry. We dont do warranty since its low paid work for factory. Factory trained is good. Factory certified not, since we are not doing factory work or have certifications for all these brands. Its case by case. Would like to replace Authorized with Professional
